The CalKids Difference

Individualized Learning: Small class sizes allow us to recognize each student's strengths, provide appropriate support, and help each child progress at a productive pace.

Hands-On Education: Learning comes alive through interactive projects, science, social studies, field trips, creative arts, technology, music, and real-world experiences.

Character Matters: Students are encouraged to demonstrate responsibility, respect, kindness, integrity, perseverance, and good citizenship every day.

Healthy Minds & Healthy Bodies: Students participate in physical education and outdoor activities, weather permitting, to promote healthy habits, teamwork, confidence, and well-being.

Strong School & Family Partnership: Parents and guardians are essential partners in student success. CalKids is committed to open communication, collaborative problem-solving, and celebrating growth.

A Safe, Positive Learning Environment: Every child deserves to feel known, valued, respected, and encouraged. Students are supported in asking questions, trying new things, learning from mistakes, and celebrating success.

SPECIAL NEEDS & GIFTED LEARNERS WELCOME

CalKids welcomes students with special learning needs, neurodiverse learners, gifted/advanced students, and twice-exceptional (2e) learners. Families are asked to share current plans, accommodations, strengths, and support strategies so we can determine appropriate placement and support.

Our Mission

To inspire every child to become a confident, compassionate, and lifelong learner through individualized instruction, meaningful educational experiences, strong character development, and a safe, nurturing environment where every student is encouraged to Dream, Believe, and Achieve.
